

WHY BUY FROM US?

As a responsible company we ensure adherence to all Australian standards and regulations on all our products on offer. Our customers safety is of utmost importance and thus each glass panel is build to meet Australian standards **AS/NZS 2208**, which is also indicated by a stamp mark on each panel to further our assurance.

Our customers can enjoy a tension free and hassle free purchase as all our glass panel come with a **7 year warranty***

Each glass panel is costumed designed and produced to include R4 safety corners and polished edge to prevent harm to loved ones endured by the sharp edges of normal glass panels.

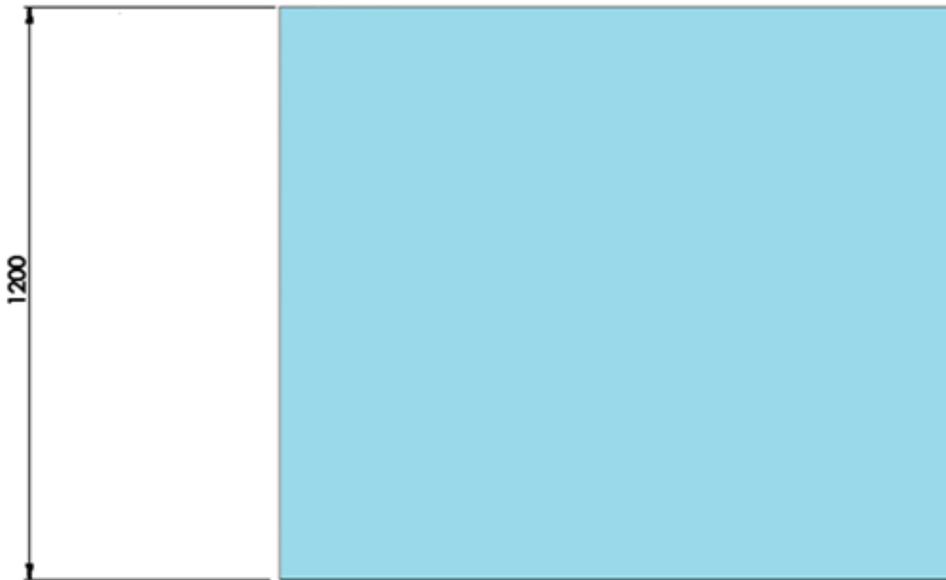

In order to ensure that the customer receives the glass bought from us in immaculate condition, each glass panel is packaged in individual high quality cardboard boxes with information of the glass panel held within it, along with further safety and lifting restrictions. Four individual plastic corners designed to absorb small impacts, also ensure that the glass does not sustain and damages during transportation or moving the glass before installation.

We believe in creating good relations with our customers through our customer care. Apart from offering high quality glass panels at competitive prices we also extend a range of services to our customers, this includes delivery of goods to your doorstep for a fixed fee, a comprehensive easy to understand step by step DIY instruction guides and manuals. Our website also offers our customers latest updates on all our product ranges, useful information regarding Australian Standards, Pool Regulations, and tips on how to maintain your frameless glass pool fences. Customers can also avail to our list of experienced glass pool fence installers.

Our committed staff in also available to answer any questions you have regarding your pool fences by phone, email or in person.

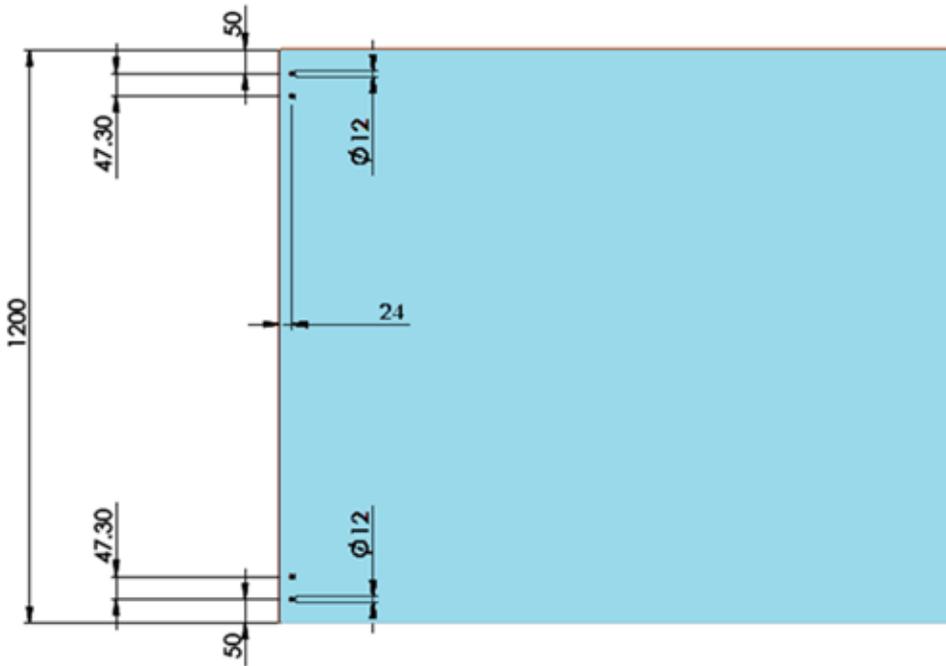

*Warranty only covers original customer with any manufacturing defects or spontaneous breakage. Warranty does not cover damage due to improper installation or damage caused by individuals.
